In case of formation of dust.

Hand protection:

Protective gloves (EN 374)

Eye protection:

Tightly fitting safety goggles.

9. Physical and Chemical Properties

Form:

powder

Color:

yellowish-green

Odor:

odorless

Solubility in water:

insoluble

10. Stability and Reactivity

Thermal decomposition/Conditions to be avoided:

Stable if used according to specifications.

11. Toxicological Information

Further toxicological effects:

Product is non-toxic.

12. Ecological Information

Further ecological effects:

No ecological problems expected.

Further information

Water hazard class:

0

13. Disposal Considerations

Product:

Dispose of according to official national and local regulations.

Uncleaned packaging:

Dispose of according to official local regulations.

14. Transport Information

Further information:

Not classified as a dangerous good under transport regulations.

15. Regulatory Information

Designation according to EC Guidelines:

The material is not subject to classification according to EC lists.

Water hazard class:

0, not hazardous

16. Other Information

This product should be stored, handled and used in accordance with good hygiene practices and in conformity with any legal regulations.

This information contained herein is based on the present state of knowledge and is intended to describe our product from the point of view of safety requirements. It should be therefore not be construed as guaranteeing specific properties.
